

Privacy Policy

Effective date: October 29, 2021

Brandon Rush Software operates the [Aggie Moms of TAMU](#) mobile application (hereinafter referred to as the "Service").

This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data.

We use your data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this policy. Unless otherwise defined in this Privacy Policy, the terms used in this Privacy Policy have the same meanings as in our Terms and Conditions.

Information Collection And Use

Information is collected the first time the application is launched. The information includes first and last name, email address, zip code, and phone number. If a user decides to join the Aggie Moms of TAMU club, additional information is collected. This includes address along with the names of their students who are attending Texas A&M.

Types of Data Collected

Data collected by the mobile application is kept on a server and used periodically for email notifications.

Usage Data

No usage data is collected.

User Accounts

No logins or passwords are required for mobile application users.

Tracking & Cookies Data

No tracking information is used by the Service.

Use of Data

Brandon Rush Software does not use any of the data collected. Aggie Moms of TAMU uses the collected data for various purposes:

- To contact club members via phone or email
- To mail information directly to members' address

Transfer Of Data

Data is transferred to the server when the mobile app collects it. Servers are operated in the United States and we comply with all laws pertaining to data transfer and security in that country.

While we generally retain Information for so long as it may be relevant to the purpose for which it was collected or submitted, we also may retain certain Information associated with your account in our archives for analytical, archival and business continuity purposes.

Individuals in the European Union and some other jurisdictions outside the United States, in addition to the rights above, have certain legal rights (i) to obtain confirmation of whether we hold Information about them, (ii) to access the Information we hold about them (including, in some cases, in portable form), and (iii) to correct, update, amend or delete in appropriate circumstances such Information. These data subjects may also object to our uses or disclosures of their Information or exercise legal rights to withdraw their consent, though such actions typically will not have retroactive effect. They may also have the right to lodge a complaint with the relevant EU data protection supervisory authority. However, we encourage you to contact us first, and we will do our very best to resolve your concern.

To exercise these rights, please contact us via the contact information at end of this Privacy Notice.

Disclosure Of Data

Legal Requirements

Brandon Rush Software may disclose your Personal Data in the good faith belief that such action is necessary to:

- To comply with a legal obligation
- To protect and defend the rights or property of TJR Interactive LLC
- To prevent or investigate possible wrongdoing in connection with the Service
- To protect the personal safety of users of the Service or the public
- To protect against legal liability

Security Of Data

The security of your data is important to us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Data, we cannot guarantee its absolute security.

Service Providers

We may employ third party companies and individuals to facilitate our Service ("Service Providers"), to provide the Service on our behalf, to perform Service-related services or to assist us in analyzing how our Service is used.

These third parties have access to your Personal Data only to perform these tasks on our behalf and are obligated not to disclose or use it for any other purpose.

Children's Privacy

Our Service does not address anyone under the age of 18 ("Children").

We do not knowingly collect personally identifiable information from anyone under the age of 18. If you are a parent or guardian and you are aware that your Children has provided us with Personal Data, please contact us. If we become aware that we have collected Personal Data from children without verification of parental consent, we take steps to remove that information from our servers.

Changes To This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.

We will let you know via email and/or a prominent notice on our Service, prior to the change becoming effective and update the "effective date" at the top of this Privacy Policy.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
